

**New Political Party**  
Instructions for Circulators

Please follow these step-by-step instructions to ensure that each signature obtained is valid:

- ➡ Ask if the person is a registered voter.
- ➡ If the person is a registered voter, explain briefly the purpose of the petition and/or refer the person to the nomination form at the top of each page.
- ➡ Each signer has space to provide his/her signature, printed name, residence address, city and the date signed. Please do not allow the signer to use a post office box.
- ➡ Before submitting the petition for verification of signatures, the Verification by Circulator form, which is found on the back of each petition form, must be completed.

If you have any questions, please ccontact the chairman of the petition drive or Lori Klassen, Elections Specialist in the Secretary of State's Office at 777-7186.
